

## REFORMATION SERVICES LED BY BODENSIECK

Becker Delivers Address for Oct. Radio Broadcast.

Reformation Day, Thursday, Oct. 31, was observed at Wartburg college as a school holiday.

At a special meeting, service in the auditorium, Dr. J. Bodensieck, president of Wartburg Seminary, presided the sermon, Dr. Bodensieck chose as his text Acts 16:31. He pointed out as one of our greatest blessings, and one of which we should be very mindful on Reformation Day, the question, "What must I do to be saved?" and its answer which is recorded for us in this text. Dr. Bodensieck emphasized the great contribution of Martin Luther in re-establishing the church on the firm foundation of the pure Word of God.

President E. J. Brandtler served as chorist for the service. Special services were offered by the women's octette and the men's octette and a violin solo was played by Mrs. C. G. Brandtler.

In the afternoon at 4 o'clock the regular bi-weekly radio broadcast, which was heard on station WOJ, The address on the program, "The Gospel of Liberty," was delivered by the Rev. Theodore Fritschel, of the Waverly Children's Home. He stressed freedom to think as one of the great gifts of the open Bible.

The address was given by a youth solo by Irene Drowelow and a choral by the women's octette. The broadcast was continued by the singing of "A Mighty Fortress" by the men's octette. Earlier in the afternoon Dr. Bodensieck met with the Pre-Theology and spoke about various problems of pre-theological students. He counseled with several members of the society individually.

The observance of the day was concluded by an illustrated lecture in the evening on the life of Luther, by Rev. Theo. Fritschel of New Hampton, Iowa.

## "G-MAN"

FBI Agents Give Highlights of Activities.

Work of the Federal Bureau of Investigation was brought to the attention of Wartburg students and faculty on Tuesday, Oct. 28, during the convocation period, when Mr. Ledensberger, director of the "G-men" from the U. S. F. B. 1, office to address the group. Mr. Ledensberger, former graduate of Western Union college, spoke very informally, sketching the training and duties of the "G-men," their general organization and scope of the work and a few of the scenes which have been admitted to the bar or graduates of an accounting school, in addition to other requirements dealing with general physical condition and intelligence.

"Agents of the F. B. I.," he stated, must be either attorneys who have been admitted to the bar or graduates of an accounting school, in addition to other requirements dealing with general physical condition and intelligence.

Duties of the bureau, according to Mr. Ledensberger, include chiefly cases of violation of interstate laws and cases of espionage and sabotage. He briefly described a few highlights of the technical laboratory at Washington. Handwriting experts, finger print records, and blueprints of every description are found there.

A period of general discussion followed the lecture and this was soon narrowed down to the problem of fingerprinting. Examination of the classification and taking of fingerprints concluded the address.

## At Convention

Tris display sign formed the centerpiece of the Wartburg college exhibit at the A. L. C. convention in Detroit, Mich. The sign attracted much attention with its sunburst lighting effect.

## L. S. A. MEETS AT ST. OLAF NOV. 15

Seven from Wartburg to Attend; Dr. Matthes to Address Group Friday.

Seven students from this campus will leave for St. Olaf college this week-end to attend the annual conference of the Land O' Lakes union of the Lutheran Student Association.

The conference opens at 2 p. m. Friday, Nov. 15 with the registration of delegates in Mohr hall on St. Olaf campus. Leaders and regional officers will meet during the afternoon in preparation for the opening general session. A fellowship supper at 8:30 will be given by Dr. John G. Matthes, Wartburg Seminary, Oquawake, Iowa, will address the group. Robert Edstrom, regional president, will preside.

Dr. George Ann Luther Seminary, St. Paul, will lead Bible study hours Friday night and on Saturday and Sunday mornings at the conference, while Dr. John G. Matthes will speak to the group at the annual banquet on Saturday evening in Carlton College Gym Rooms.

Visiting students will tour the campuses of St. Olaf and St. John on Saturday after a noon business meeting when plans for the coming year will be discussed by the delegates. The Rev. R. Frederick Scholtz, Executive Secretary, Student Service Commission of the American Lutheran Conference, will deliver the sermon at the festival worship in the hall in the St. Olaf college auditorium.

New officers will also be installed at the Sunday service. The conference will close with Sunday dinner.

Wartburg students who expect to attend this conference are Eldon Roever, Gerhard Reitz, Roland Brandt, Albert Dillmuth, George Halmkamp and Elmer Horvath. Dr. Haefner also expects to be in attendance.

## BIOLOGY THEME OF SCIENCE NITE

Wiederanders, Hubin, Obenauer Lead Club in Topic Discussion.

The biology department presented a series of papers on the function and importance of the endocrine system in the human body at the first regular meeting of the science club, Oct. 31.

Dr. Schaefer introduced the subject with a short explanation of the endocrine glands and their general function. What happens when the endocrine system fails to function correctly was brought out in the three papers presented by advanced biology students.

"Giantism and Dwarfism" and the effect of the growth hormone upon body characteristics was treated by Mr. Dick Hubin. His information was taken from the work of Dr. P. E. Claus of the University of Wisconsin and three other workers in the field.

Mr. Edwin Obenauer spoke on the principles involved and the effect of the growth hormone in pregnancy. As the primary source of his information, he used the work carried on by Aschheim and Zerkow.

The third topic was presented by Miss Betty Wiederanders, who discussed the feminization of males.

Since little research has been done in this field on the human male, cases were chiefly involved with experiments on the lower animals.

After the presentation of each paper, questions were asked in order to clarify certain points.

The business meeting was called to order by the president, Richard Wagner. The upper classmen Edwin Gustafson, senior; George Halmkamp, junior; and Victor Halmkamp, sophomore, were recommended for membership into the science club and were unanimously accepted by the active members. It was also decided that initiation rites are to be held for new members at the next meeting.

At the next meeting, Nov. 29, the program will be sponsored by the chemistry department.

## DEBATORS TO IOWA CITY FOR FROSH-SOPH TOPICS

Erwin Frank, Gaylord, Minn.; Lewellyn Hook, Strawberry Point, Iowa; Carl Stuenkel, Loganville, Wis.; and Arnold Raabe, Wilton, Iowa, were selected at the last meeting of the Beta Lambda Lambda to represent Wartburg college in a debate meet in Iowa City, Nov. 16.

This meet is to be a freshman-sophomore tournament with four rounds of debating.

Last year Wartburg took first honors at a similar meet at Iowa City bringing home a large trophy as evidence of their success.

## World Traveler

MILTON LORY

## COUNCIL FAVORS JOINT SERVICES

Improvement Made in Grossmann Hall; Landrege, Crossman to Succeed Bunce.

The Grossmann hall dormitory council at its regular meeting on Thursday evening passed a motion in favor of sponsoring joint chapel services for all three dormitories, once a week. A committee was appointed to work on this project.

In the suggestion of the council, improvements have been made in the basement shower room as well as in the one on first floor. A committee of the council is making signs which will be placed in conspicuous places in the dormitory specifying quiet hours.

At the request of the Council, a candy vending machine has been placed in Grossmann hall. Thru the influence of the council, the cooperation of members of Grossmann hall has been obtained in regard to the cleanliness of the building.

Since it is impossible for Mr. Richard Bunce, a junior member of this council, to attend meetings, he has resigned and Mr. Karl Landrege, who was next highest in the original vote, has taken his place.

At the suggestion of the council, improvements have been made in the basement shower room as well as in the one on first floor. A committee of the council is making signs which will be placed in conspicuous places in the dormitory specifying quiet hours.

At the request of the Council, a candy vending machine has been placed in Grossmann hall. Thru the influence of the council, the cooperation of members of Grossmann hall has been obtained in regard to the cleanliness of the building.

## COLLEGE BROADCASTS REFORMATION PROGRAM

The Wartburg college presented a Reformation Day program on its regular bi-weekly radio broadcast over WOJ, Oct. 31, from 4:30 to 4:40. The following groups took part in the broadcast: Miss Irene Drowelow, singing "Jesus Only"; the Girls Octette, singing "Build on a Rock"; the Boys' Octette, singing "A Mighty Fortress is Our God"; and Rev. Becker, who spoke on "The Gospel of Liberty." The broadcast was announced by Dr. Haefner.

## WORLD TOURIST MILTON LORY TO APPEAR TUESDAY

Globe Trotter to Show Films of Experiences.

World-traveler Milton Lory will appear at the Wartburg auditorium Tuesday evening, Nov. 12, at 8 p. m. to show the color motion pictures he has taken on his journeys to every continent on the globe and to tell of his experiences. Accompanying the pictures will be music appropriate to each different setting.

Lory has had quite a checkered history. He was one of the first Americans to visit China after the revolution; he made his way into Barcelona harbor in a refugee ship, arrested, and made his way to safety. He has been on expeditions into Central and South America, and has been in the jungles of Nicaragua.

A former newspaperman, he began his travel a few years ago and has taken hundreds of feet of color film in his wanderings. These include the world's only color film of the best photography. Some of the highlights in the film are the effects of the earthquake in China, the raid preparations and mounting of the guard in London, the rehearsal of the world's 2,000 women in Rome, unusual Egyptian funeral customs, the South Sea Islands, peculiar animals of Australia, how Switzerland stages a world's fair, and life in Japan.

Lory was one of the last Americans to leave Europe last year after the outbreak of war, and since then he has been on his travels. He will appear at a banquet of the Viking Pump Co. of Cedar Rapids, Iowa, on Monday, Nov. 11, at 7:30 p. m. His party will be given on Monday evening, and is scheduled to Duluth, Minn., on Wednesday.

Of special interest to Wartburgers is the fact that Dana College, Iowa, and Midland College, Fremont, Neb., both Lutheran colleges, have extended Lory invitations for this purpose.

Lory is being brought to the Wartburg campus in addition to the regular artists who are the event as being sponsored by the Wartburg. Free admission price will be set for students and the free adults.

## ELECTION DAY

Spirit of Election Certagious on Campus

The quest for knowledge at Wartburg suffers no shortage of students. The majority of students neglected studies and assignments to listen to the election results. The spirit of the election continued to mount on the campus throughout the day as the candidates cheered and boomed in the dining hall. However, as indicated in the Trumpet presidential poll, Wilton was favored on the campus two to one, but college students do not represent a cross-section of the nation and this was shown by the election results.

The polling place for the fifth precinct of Waverly was in the college gym. The majority of the students eligible to vote, however, voted by absentee ballot.

As the election of 1940 now becomes history we have the consolation that the air lines on the radio will again be free of speeches and that the various campaign plans and battles will no longer adorn our attire. Once again we can turn our attention toward our studies and quest for knowledge.

Of the 82 men on the University of Minnesota football squad, 59 are Minnesotans.

Pictured above are Wartburg's class officers for the 1941-42 school year. Standing left to right are: James A. Babers, vice president; Vernon Strunk, president; and Adolf Langbein, secretary-treasurer. At the junior class, Artus Baehle, president of the seniors; and Carl Anderson, vice president of the seniors; Carl Stuenkel, president of the freshman class; and Hans Sandrock, vice president of the freshman class. Seated are: Gertrude Kalkwarf, sophomore secretary; Anne Aardal, sophomore secretary-treasurer; Victoria Veitke, sophomore vice president; Irene Drowelow, senior secretary; and Hans Obenauer, freshman secretary-treasurer.

\_\_\_\_\_

than a mere digest of the news, and only the barest amount of feature material. It would be a decided setback for a college that has been placed here to grow and develop as the senior college of the American Lutheran church in the middle west.

Business and professional men of Waverly, Warburton

# Faculty, Jahr, 201 Speech Students At Convocations

## Braulick Begins Lecture Series on Bible Characters.

Monday, Nov. 4, President E. J. Braulick began a series of lectures on Bible characters to be given during the convocation periods, issuing his words on Matt. 23, he discussed the first of these biblical figures, Matthew.

The speaker pointed out Matthew's misanthropy at the beginning of his failure to see the beauties of nature and human nature in general for money. Likewise, the trouble with the world today is "gold greed."

Matthew's salvation lay in his hearing of the Master's call, "Follow me!" "We too," he continued, "will in some way or other reflect the glory of Christ if we heed his call."

**Qualities of Educated People**

Dr. M. Wiedersheim, head of the education department, spoke during the convocation period on Tuesday, Nov. 5, pointing out that education includes much more than learning which tend toward a harmonious development of all phases of personality.

The chief of these components, according to Dr. Wiedersheim, are the development of the physical body, emotional developments and particularly self-control; intellectual education; learning how to think; development of the aesthetic phases of personality; and of the social graces.

"To have a minimum of social knowledge," he said in part, is necessary for the kind of leadership expected of college students.

**Meaning of the Reformation**

Acts 2:44 formed the basis for the convocation address of Rev. A. Jahr of Nashua, on Monday, Oct. 23.

The speaker recalled first the significance of the historic Protestant reformation, the removal of the priestly class which had crept into the church.

In a present day application, he pointed out a new effort toward personal doctrines are chiefly three: justification by faith, universal priesthood of believers, and the sole authority of the Bible.

A true celebration of the reformation festival is an examination of ourselves and our church," he concluded.

**Speech Class Present Two**

Betrack Petrick, sophomore from Appleton, Minn., and Elmer A. Beckman, freshman of Pella, Minn., represented the 201 speech class, performing during the convocation period on Wednesday, Oct. 30.

Mr. Petrick, the first speaker, spoke on problems which face educated people. He cited the cynic, the agnostic, the atheist, and the evolutionist.

Mr. Beckman addressed the group on patriotism.

**Eccentric View**

Dr. John Hiltner, head of Wartburg's religion and philosophy department, addressed the convocation assembly on Wednesday, Nov. 6, emphasizing the dangers of a twentieth century philosophy and contrasting it with St. Paul's attitude expressed in 1 Cor.

6:19, "Ye are not your own."

The eccentric view is merely selfishness, the worst philosophy of dictators who force their will on others without regard for their rights.

St. Paul's words, on the other hand, infer that for harmonious living there must be an ethics of compromise.

To yield, to forgive, and to forgive, is the Christian ideal, declared Dr. Hiltner. "However, it isn't self control we want. It is God control. Let us watch for self as it makes its way into our hearts and our religion."

**Coed Chatter**

Out comes the old typewriter to get students could attend the things called "chatter" and out come the winter coats and jackets.

John Pross is really working in earnest now. The trees have gone into their annual strip tease, and the campus looks very different from the campus that greeted the anxious eyes of this year's crop of freshmen two months ago. But we still like it, don't we?

Football season nearly over and basketball about to start. The fellows out peeing off their daily miles and the Knights preparing for their last game of the year. They swell the other night.

It was worth all those shivers, sniffles, and sore throats just to be there and yell for that swell performance.

We really love you now, fellows. Do it again next week will ya?

It's a shame that not more of our students could attend the pep meeting though. "We thought it was grand. . . . Coach Van is a swell fellow. . . . no wonder the boys like him. And kids, you really should have heard Chevelwood and the seniors—Rich, Ouis, Louie, and Sauder. We wish we could see you play a lot more often, fellows."

Speaking of seniors. . . . Don't you wish you were one. . . . You could sit all dressed up in your best bib-and-tucker and go down to the high school to teach 'em. . . . Don't the boys look nice all slicked up? . . . Too bad there aren't more teachers. . . . or at least enough to sound. . . . And if you think they don't enjoy their jobs, just ask 'em. . . . What a polygon, rich?

Now that winter's here, . . . the fellows are letting those cute "D" "bitches" grow out. . . . Doesn't Red look good? . . . Brownie's beard is a little less gruesome looking. . . . (Ernie.)

But that's all right. But that grizzly old belonging to our Canadian friend. . . . well. . . . You suppose it's Canadian? . . . But why, oh why do men who have such nice curly locks go and get those hair curls cut off? . . . Jim and Sandy. . . . on me. . . . Isn't it nice that so many of the teams could go to the convocation? . . . Make the week-end a little longer. . . . We hope you have a good time. . . . Cause we know that we will. . . .

Is this dorm over all-a-buzz too tonight? . . . It seems that there is a three-dimensional poster assignment due at ten tomorrow. . . . Are all the dear little teachers-to-be ever working? . . . Teacher, what's a three-dimensional poster? . . . And then there are always mid-term exams. . . . ho hum. . . . good night. . . .

Chimpanzee couples differ little from human beings in their domestic relationships. Yales Dr. Robert M. Yerkes reveals.

Nov. 23-4 p. m. next Trumpet appears.

## Organizations

**Deutscher Verein**

A committee was appointed to draw up a new constitution for the Deutscher Verein at the first meeting of the organization on Oct. 20 in Wartburg hall.

Prof. Cornils led the discussion of the evening with a talk on the life of Luther.

The group decided to hold its regular meetings the second Sunday of every month at 5:15 p. m.

**Pre-The**

"The Minister's Attitude Toward Members of the Community Who Are Not Members of the Church" was the topic up for discussion at the meeting of the Pre-Theological Society on Wednesday evening, Oct. 27. Rudolf Andersen gave a talk on the topic in which he pointed out that a pastor is both a shepherd and a fisherman. A true pastor is a shepherd who leads his flock to a good life and a fisherman who catches up the unrepentant and unrepentant individuals within reach are legitimate material for the net.

This is not only his right but also his duty for which he must someday render an account before God.

Rudolf Schick led the discussion on this topic which followed.

Dr. Hiltner presented to the society the plan for the pre-theological procedure. At succeeding meetings the society will be asked to make suggestions for various members in conducting a business meeting. This emphasis upon parliamentary procedure is to fill the need for ability, on the part of students, to act as chairman of meetings and to conduct groups. The society members will try to prepare themselves particularly for the types of questions occurring in their future work.

This practice in parliamentary procedure also is to systematize this organization toward greater efficiency and better general order at the meetings.

The society decided to make a contribution to the "Lutheran World Action" fund.

**Prayer Fellowship**

Ervin Franke led the October 27 meeting of Prayer-Fellowship in the discussion of "How can we tell who is a Christian and how can we be sure that we are Christians?" It was quickly pointed out that it is impossible to tell a Christian from a non-Christian. The other half of the question led to an extensive discussion which included the discussion of titans and life work.

On Sunday afternoon, Nov. 3, Bob Wiedersheim led the Prayer-Fellowship in a discussion of "The old testament plan of salvation." This plan, it was pointed out, consisted of living to the law of Moses, and believing in the coming Messiah. The children of Israel were considered the new testament Christians, Christians, who must also do the works of the law, which in its essence has not changed, and who must believe in the Christ which has come.

Dr. Hiltner attended the meet-

## TWO 'ALS' PERUSE THE TRUMPET

The photographer caught Alfred Walek and Albert Dillenbach in a hot discussion over the merits of the college paper. The scene was part of a skit played before a student convocation.

ing and contributed much to the discussion.

## W. Club

The W. Club at its regular meeting, Friday, Oct. 27, decided to cooperate with the football boys in sponsoring a Sunday evening supper in the fair house.

## Pi Sigma

"Hair Styles" was the theme of a talk given by Mr. Howard Hodgman, local beauty operator, at a meeting of the Pi Sigma. The regular meeting was held Friday evening, Nov. 8, in Wartburg hall. Refreshments were served.

## SWENSEN ASKED TO CONFERENCE

Will Attend Highway Safety Conference at Ames, Dec. 12.

Prof. A. W. Swensen has been extended an invitation to participate in the program of the Annual Highway Safety Conference which is to be held at Iowa State college, Ames, Iowa, on Dec. 12 under the joint auspices of Iowa State college, the Iowa State Highway Council, and the Iowa Department of Public Safety.

Other speakers included in this conference are Gov. George Wilson, Dr. Donald S. Berry of the Committee on Tests for Intoxication of The National Safety Council, Chicago, Ill.; Mr. Francis Kable, county attorney of Polk County, Des Moines, Iowa; Harry Hedeman, traffic engineer, Des Moines, Iowa; W. H. Cameron, Managing Director, National Safety Council, Chicago, Ill.; W. O. Price, traffic and safety engineer, Ames, Iowa; and Karl Flachner, State Commissioner of Public Safety, Des Moines, Iowa.

# KNIGHTS POUND SPARTAN LINE BUT LOSE 20-7

## Champs Receive Stiffest Fight of 1940 Season.

First Downs	19	10
Yards from scrimmage	242	254
Passes attempted	6	5
Passes completed	0	0
Passes Intercepted	0	0
Average yards on punts	38	36
Fumbles	1	1
Own fumbles recovered	1	0
Opponents fumbles recovered	2	0
Penalties	35	25

The Wartburg Knights met the Dubuque Spartans on the Waverly field Friday night, Nov. 1 for the last home game of the season and were defeated 20-7. Fined by the press for driving the Spartans and Obenaue, and by the hard blocking of Langholz and Fabrizius in the late Wartburgs handed out plenty of surprises and the stiffest competition Dubuque has been offered this year.

To the surprise of the spectators as well as the Dubuque team, the Knights showed exceptional power and drive throughout the game. The fact that the Knights made 12 first downs to 11 for the Spartans proves that a different Wartburg team took the field against Dubuque as it had for the conference championship.

**First Quarter**  
Camara, received the kickoff on the one-yard line and returned it to the 25 where the Spartans held. After three attempts, Wagner punted to the Dubuque 45. Feutz received the punt and kicked 65 yards for the first touch-down. Schiers converted and the score stood 14-0 after four plays. Dubuque received again and marched from their own 10 to the Dubuque 35 before the Spartans could stop them. After a punt, punt Dubuque made 19 yards in six plays and then punted to the Knights 20 when the quarter ended.

**Second Quarter**  
Beginning the second quarter Camara made the first down through the line. Wagner completed a forward pass to Obenaue for another first down on the Spartan 30. The ball was lost on down, and Dubuque carried it back to midfield before they were forced to punt. Camara received on the 15, carried it to the 20. From here on the Knights drove to the Spartan 30 where Schwartz intercepted a pass. They were held on the thirty for three downs when the gun ended the half.

**Third Quarter**  
After the opening kick-off, the Spartans came from their 20 to cross the Knight goal line on a pass from Schiers to Lusow. Dubuque made only six plays in this entire march, turning most of their yardage through the air. Camara received the ball on the 45 and brought it up to the 45 before he was downed. Here the Knights stalled and

turned to the Spartan 10. Returning to the fifteen, Dubuque was forced to kick on the third down. Wartburg also unable to gain, lost the ball on downs on the Spartan 30. On the second play Feutz again broke loose and ran 70 yards for the Wartburg touch-down. Again Schiers converted, making the score 20-0. On the third kick-off of the quarter, Camara, bearing the brunt of the drive, the Knights scored when Camara leaped into pay dirt from the one-foot line. A pass from Wagner to Becker made the score 20-7. Just after the 11, kick-off the quarter ended with the Spartans on their own 30.

**Fourth Quarter**  
The last quarter found the Knights bogging down a bit and coming back strong toward the last end of the quarter. Dubuque made six first downs in the quarter to none for the Knights. Although the game ended with Dubuque on the Wartburg 40 yard line.

Camara, Wagner, and Obenaue were the stars of the Knight backfield, while Fabrizius, Langholz, and Stuenkel showed well in the line. Last after the Schiers and Feutz showed up well for the visitors.

Wartburg	Pos.	Dubuque
St. Becker	B.	Reutter
Sander	L.T.	Toomey
Scherle	L.G.	Schoenhard
Stuenkel	C.	E. Weisshies
Bergman	R.G.	Riedel
Fabrizius	R.T.	Lustin
Langholz	R.F.	G. Weisshies
Wagner	Q.B.	Freeman
C. Bergman	H.B.	Shump
H. Obenaue	S.	Schiers
Camara	F.B.	Feutz

**Touchdowns:** Feutz 2  
Lusow (pass from Schiers) Wartburg

**Points after touchdown:** Schiers 2, Becker (pass from Wagner), 2, Obenaue, Reutter, Miller (f.g.), Umpire, Remond (a.f.); Head linesman, Martin (C.C.).  
**Substitutions:** Wartburg, Becker, E. Obenaue, Schaler, Duckworth, Schwartz, Klusheim, Lusow, Irving, Perkins, Dieter, Gunkler.

## 4 KNIGHTS

To Fight Last Battle as Wartburg Gridders.

Four Knights will wear the Knight football armor for the last time when Wartburg tangles with Upper Iowa on Nov. 15.

Richard Wagner, quarterback and co-captain this year, will complete four years of football competition with the Knights. A substitution Wartburg, Becker, a sophomore college transfer, in his junior year will end two years of work as a linesman on the Knight squad.

Reinhold Sander, Camara's only representative at Wartburg, also concludes his second year as a Knight lineman.

Edwin Obenaue, midget backfield man, has now played at speed in his three years of participation. He failed to end a uniform in his sophomore year.

Some 1,200 different classes are offered at the University of Texas.

## CONFERENCE CHIPS

### By MIKE

Team	W.	L.	T.	Pct.	Tr.	Gp.
Dubuque	5	0	0	1.000	25	29
St. Andrew	1	0	0	1.000	18	0
Loma	3	1	0	.750	80	34
Central	2	0	0	.667	24	36
W. Union	2	1	0	.667	39	35
Wesleyan	2	1	0	.667	26	36
B. Vista	2	2	0	.500	30	42
Luther	1	1	0	.500	14	19
Parsons	1	2	1	.333	19	37
Upper Iowa	3	0	0	.750	25	34
Penn	1	3	0	.250	13	34
Simpson	0	3	1	.000	19	55
Wartburg	0	4	0	.000	0	0

The Spartans of Dubuque ran into more than just a breeze when they visited Wartburg last Friday evening. In fact it was more or less like a cyclone. Predictions were that the Spartans' team with the Knights would be nothing more than a practice game, but if you would have cared to see a spirited team you should have seen the Wartburgers. The Knights are kide this week-end, but when they tangle with Upper Iowa on Nov. 15 it will be well worth your time and money to see the game. E. Weisshies, only two conference games this season, for a 500 average, but the odds are with them to beat U. I. The Peacocks have not been doing so well this season for they have won only one game of their nine in their four conference starts.

St. Andrew will return to conference warfare when they visit Simpson Saturday. The Bees suffered their last league defeat seven years ago and a 14-0 shut out can mar their record.

Parsons will be the host to the league leaders Friday night at which time the Spartans will seek to clinch the championship.

Loma is still making a run for the title with only one defeat in four starts this season. After their 27-0 win from Parsons last Friday evening they will leave the conference this week and play St. Thomas Sunday.

Tigers of Iowa Wesleyan topped Central for all but one drive and then conquered the Duchman by a 12-6 margin. Central has a 567 average with 4 wins and 2 losses. Iowa Wesleyan also has a 597 average with 2 wins and 1 loss.

Western Union with 2 wins and 2 defeats will play another conference game this week-end. Last week they were on the Upper side of a 21-7 win from Yankton.

On Monday Central and Penn will clash in an Armistice Day game. Another game for the coming week-end will feature Buena Vista against Southern South Dakota Normal. This is a neutral conference game and will be played at Lakota Lake.

St. Joseph's University is contributing 31 national guardsmen under the national defense call.

Wartburg-Dubuque Football Game

### ACT I

A small but enthusiastic crowd of Wartburg rooters had gathered in front of Old Main at 4:00 for a pep meeting before the game.

Coach Van Dyke, speaking to the group, said, "I can easily explain why the crowd is so small. No football tradition exists here, but for the last two weeks we have been working hard on down field blocking. I am not guaranteeing a victory, but tonight you are going to get a surprise."

Louis Fabrizius, representing the team, said, "This is Dubuque's first away-from-home game, and by the time we get through with them they'll know they've been somewhere."

### ACT II

Perhaps the largest and most enthusiastic crowd of the year was on hand to see the conference-leading Dubuque Spartans battle the cellar-dwelling Wartburg Knights. Many of them were anxious to see Coach Van Dyke's surprise, and, believe me, they got it.

At that time they saw the Knights make more first downs than the Spartans. That night they saw Wartburg gain more yards against Dubuque than any other team that played them this year, including Carroll, a school nationally recognized for its football. They saw the Wartburg line out-charge and outplay the opponents. They saw one of the finest ball-carrying exhibitions ever put on by a Wartburg man. They saw a surprisingly polished and spirited Knight eleven prove to Dubuque that they were somewhere. They saw the Knights playing their hearts out for Wartburg. They were surprised, they were satisfied, they had seen a great football game! The score didn't matter much.

### ACT III

Nothing but praise was in store for the Knights. Dubuque's coach had plenty of respect for Wartburg's line when he said after the game, "Your boys really pushed our team around."

The Dubuque eleven paid a lot of tribute to Rudy Langholz when they credited him as being the hardest blocking end they had run up against this year.

Coach Van Dyke credited the Wartburg line when he said, "I've coached football for eleven years, and I have had some great teams; but never have I had a team with a spirit such as the one you fellows displayed against Dubuque."

### Grand Finale

It is certainly a difficult to pick out the stars of the game, but, somehow, I can't help but feel that Pudge Camara deserves the respect of everybody who saw the game. True enough, he had some very effective blocking, but even when about four opponents were ready to down him, he with all the force he could muster still plunged and drove for those few extra, precious inches. He certainly put on a great exhibition! Not to be forgotten are Tuffy Obenaue, Mestall Wagner, and Clarence Bergmann. Rudy Langholz deserves a lot of credit for his vicious blocking. Fred Scherle played the best game of his career. Louis Fabrizius played his usual Bergmann, and Harold Becker should be proud of their performances. Doc Schafer, Edwin Obenaue, and Bob Berck were substituted and did plenty of damage to the Spartans. The forgotten men, on the bench are proud and happy. Peto Petersen was out of the line-up because of a sore arm.

### Epilogue to Upper Iowa

On Nov. 15 the Knights close the season against the Peacocks at Fayette. Students, let's go to Upper Iowa with the team and show our traditional rivals what the score can be!

### Farwell Seniors

Playing the last home game of their careers were four Seniors. Mestall Wagner, Louis Fabrizius, Reinhold Sander, and Edwin Obenaue have our best wishes and a sincere farewell.

Iowa

Pictured above, left to right, are Lois Harstad, Plainfield, Karl Kremer, Dubuque, and Ruth Ross, Charles City, who had the organized cheering at Wartburg's sports events. Mr. Kremer, sophomore, head cheerleader, comes to us this fall after one year's experience in leading yells at Dubuque university, in addition

to three years high school experience. These students have been working hard, practicing three times weekly. During the past few seasons the gist of his yells during practice the gym has been "Beat Upper Iowa, beat Upper Iowa, beat Upper Iowa."
